Attorneys for State of California

(BY U.S. MAIL) I am “readily familiar” with the firm’s practice of collection and processing correspondence for mailing. Under that practice it would be deposited with the U.S. Postal Service on that same day with postage thereon fully prepaid at San Diego, California, in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit.

(BY FACSIMILE) I am personally and readily familiar with the business practice of Liebert Cassidy Whitmore for collection and processing of document(s) to be transmitted by facsimile. I arranged for the above-entitled document(s) to be sent by facsimile from facsimile number 619.446.0015 to the facsimile number(s) listed above. The facsimile machine I used complied with the applicable rules of court. Pursuant to the applicable rules, I caused the machine to print a transmission record of the transmission, to the above facsimile number(s) and no error was reported by the machine. A copy of this transmission is attached hereto.
